

# Richard hourigan, inc.

---

Responding to the needs of industry since 1973

## Capability Statement

### 1. Core competencies

- On site treatment of boiler water, cooling water, and chilled water.
- Technical ability to handle difficult or unusual treatment needs.
- Backed by an experienced analytical laboratory.
- On line sales of chemicals, equipment, test equipment through our web site.

### 2. Past performance

- 41 years of private industry experience.
- No Government Contract to date.
- References available.

### 3. Differentiators

- Programs executed or reviewed by an analytical chemist with over 41 years of experience in water treatment.
- We prefer difficult or hard to treat water conditions where our competitors are incapable of performing well. Give us your worst problem.
- Veteran Owned Small Business.

### 4. Corporate data

We have been in business since December of 1992, conducting on site service in Illinois and Wisconsin until December of 2010 when we moved operations to Delaware. Most of our existing business now is on line using our dba as TheWaterTreatmentStore.com. The corporation has one employee and owner, Richard R. Hourigan, Jr., an Analytical Chemist who has been in the business since January of 1973.
